### Teachers Certification Program

Fall/2009 – Spring/2010

Over the past thirty (30) years, ETA has become a standard in universities, collages, churches and Christian organizations through out the world. VLBI's "Advanced Teachers Certification courses" are designed to give the serious minded bible student the tools necessary minister effectively, and to bring the Word of God alive. Students can earn four levels of teacher's certification by completing all 16 courses over two years.

There is a \$20.00 Registration fee per semester per student.
